TECHNICAL SKILLS

Languages: Python | **Frontend:** React.js, HTML, CSS, JS | **Backend:** FastAPI
Databases: SQL | **Tools:** Git, GitHub, VS Code

INTERNSHIP EXPERIENCE

Viyashra Group of Companies

Web Development Intern | Jan 2026 – June 2026

- Collaborated with the development team to deliver client requirements and contribute to enterprise web application development.
- Contributed to the Student Immigration Module of the In2In Immigration Gateway using HTML, CSS, JavaScript, PHP, and MySQL, collaborating with the team to develop and deliver application features.
- Received the **Professional Excellence Award** for outstanding contribution, performance, and commitment during the internship.

CodSoft

Web Development Virtual Intern | Jul 2025 – Aug 2025

- Developed responsive web pages using HTML, CSS, and JavaScript with a focus on user-friendly design.
- Gained hands-on experience in front-end development, responsive web design, and version control practices.

PROJECTS

Business Intelligence System

Technologies: React.js, PHP, MySQL

- Developed a Business Intelligence System to help organizations analyze sales performance, monitor business operations, and support data-driven decision-making through interactive dashboards and predictive insights.
- Implemented features including sales analysis, profit and loss tracking, sales calendar, product and inventory management, expiry and returned product monitoring, stock management, and demand prediction.

FormFlow – Form Management System

Technologies: React.js, FastAPI, MongoDB, JWT

- Developed a Business Intelligence System to help organizations analyze sales performance, monitor business operations, and support data-driven decision-making through interactive dashboards and predictive insights.
- Implemented features including sales analysis, profit and loss tracking, sales calendar, product and inventory management, expiry and returned product monitoring, stock management, and demand prediction.

ChocoBliss – Chocolate E-Commerce Website

Technologies: HTML5, CSS3, JavaScript

- Developed a responsive chocolate e-commerce website that enables users to explore products and customize chocolates through an intuitive and user-friendly shopping experience.
- Implemented product categorization, search functionality, shopping cart features, responsive design, and client-side form validation to enhance overall user experience.

CERTIFICATIONS

- Web Development Intern – Viyashra Group of Companies (2026)
- Python Certification – Saylor University (2026)
- Web Development – CodSoft (2025)
- Web Development Intern – Three Baboons Technology (2024)
